

# Can You Dig It?

## Join the Governor's Gardeners at the Governor's Residence Heritage Garden.

Would you spend a few hours every month throughout the growing season keeping our public garden looking special? How about learning more about the life cycles of native plants? Sharing your knowledge with fellow gardeners? Enjoying a variety of garden tasks? Would you like to be the first invited to go on rescue trips or hear experts on various garden issues?

Join **The Governor's Gardeners**, a group of volunteers working together the 2nd Wednesday of each month throughout the summer to help at the Heritage Garden. [May 12, June 9, July 14, Aug 11, Sept. 8, Oct. 13]

**What's involved?** Commit to come at least one Wednesday during the summer, the **2nd Wednesday of the month**: May – October, at the Governor's Residence. Wear your work clothes; bring your tools and a sack lunch. Come to the trooper's gate on Maryland Ave. **between 9 am and noon.**

**How do I sign up?** Email Hope Taft at [ohiohoper@yahoo.com](mailto:ohiohoper@yahoo.com) and tell her you want to join this fun group. She will put your name on the list. Mary Lewis will be there to give you directions for the "special activity of the day."

It's great fun... and makes a tremendous impact on the look of the Heritage Garden and its ability to inspire visitors to take up gardening with native plants themselves.

Thanks for joining in this effort. Get a friend to sign up with you, double (or triple!) the fun. Other great opportunities for volunteering in the Heritage Garden include:

- Being a Garden Guide for Tuesday Tour Day
- Lunch, Learn and Lift Those Weeds –4th Wednesday of each month, 10 am –1 pm
- Going on plant rescues as the opportunity arises
